

12th Meeting of Young Researchers in Physiology

Villa Orlandi
Anacapri (NA) – May 03-05 2018

Thursday 3 May 2018

- 12.00 - 14.00 Registration of the participants
14.45 - 15.00 Opening Ceremony
15.00 - 16.30 Oral communications (Group I)
16.30 - 17.15 Keynote lecture I – “Reflections on Science”
Prof. Fiorenzo Conti
17.30 - 18.15 Open Questions: “The Young Researchers in Physiology and the Future”
Prof. Fabio Benfenati – Prof. Claudio Grassi
18.30 Welcome Cocktail

Friday 4 May 2018

- 09.00 - 09.45 Keynote lecture II – “Cardiovascular changes in dynamic states”
Prof. Guido Ferretti
10.00 - 11.00 Oral communications (Group II)
11.00 - 11.30 Coffee break
11.30 - 13.00 Oral communications (Group III)
13.00 - 14.30 Lunch
14.30 - 16.00 Oral communications (Group IV)
16.00 - 16.45 Keynote lecture III – “Thick filament mechano-sensing in skeletal and cardiac muscles: a common mechanism for different tasks”
Prof. Marco Linari
16.45 - 17.15 Coffee break
17.15 - 19.00 Oral communications (Group V)
20.00 Dinner

Saturday 5 May 2018

- 9.00 - 09.45 Keynote lecture IV – “Hypoxia tolerance: from cell to organ in animal models”
Prof. Maria Carmela Cerra
09.45 - 11.30 Oral communications (Group VI)
11.30 - 12.00 Coffee break
12.00 - 13.30 Oral communications (Group VII)
13.30 - 14.00 Prize Awarding Ceremony - Closure of sessions

Local Organizing Committee:

S. Diano MR. Santillo B. Guida M. Dentice
C. Perrone Capano M. Monda A. Belfiore
D. Lapi S. Damiano P. Mondola A. Colantuoni
